## EAGLES GOT TALENT.....

Cardiff Eagles Captain Neil Ellerton has had an exciting past month. The forward who is currently averaging a point a game (5 in 5 games) showed he can do more than score on the ice when he successfully auditioned for the ITV talent show *Britain's Got Talent*. Neil auditioned along with over 5000 other hopefuls and got named as one of the lucky few to make it through to the live rounds.

Neil played the guitar and sang the Daniel Meriwether hit *Red* for the initial auditions and says he has been working hard on a number of popular songs for when filming commences in February. We'll keep you posted on Neil's progress through the competition.
